CHOOSE YOU

Release Date: February 14, 2026

“Choose You” is a heartfelt fusion of Afrobeats and Caribbean dancehall, inspired by the courage it takes to choose love again. Blending rhythmic grooves with raw emotion, the track captures the vulnerability and passion of rekindling an old flame.

“Love isn’t always logical. Sometimes it’s risky, sometimes it’s beautiful. “Choose You” is about embracing that brave vulnerability.”
